

HOW TO TIE BOATING KNOTS

It's a great idea to learn how to tie boating knots. Familiarize yourself with the knots below and use them to secure your boat properly.

REMEMBER:

Practice makes perfect! Practice your knots so that you're ready to use them when you need to!

THE BOWLINE:

Holds tight and comes apart easily.

THE REEF KNOT (A.K.A. SQUARE KNOT):

Ties two lines together.

THE CLOVE HITCH

Easily ties your boat temporarily to a piling.

THE HORN CLEAT HITCH

Keeps your boat securely tied.
